## Admission Policy:

Admission into St. Lawrence Catholic School is based on the availability of services the St. Lawrence Resource Room is able to provide as indicated in an IEP, Non-Public School Service Plan, 504, or a battery of test results from a psychologist.

Our Admissions team will use these documents to evaluate St. Lawrence Catholic School's ability to provide the best learning environment for a student with the least restrictive environment. The admission team consists of the principal, resource room teacher, counselor, reading intervention teacher, Utica Community Schools consultant, and the classroom teacher.

The following factors are taken into consideration when admitting a new student into The St. Lawrence Resource Room which include:

- Utica Community Schools services needed.
- Composition of the classroom the student is applying for.
- The time needed to learn with assistance from a Para Professional.
- The need for a Special Education Teacher or Interventionist.
- Auxiliary Services needed (Teacher Consultant, Speech and Language, Occupational Therapy, Physical Therapy - these are very limited services provided by the Utica Community Schools and Macomb Intermediate School District).
- Standardized testing, Intervention, and teacher observation.

The St. Lawrence Resource Room **DOES NOT** provide the full extent of services that a public school is able to provide. Upon acceptance into The St. Lawrence Resource Room parents agree to waive an IEP plan for a Non-Public Service Plan.
