- Q. For re- enrollment can our forms be saved on file, so we don't have to always input our personal information?
- A. The AOD and Facts system handles all that.
- Q. Can we have parent representatives per grade gathering all information pros/cons that we can discuss at meetings?
- A. Great idea! We can look into this and see what we can do.
- Q. Can we have these meetings available in person and on zoom for some of us who are not available to attend?
- A. We've talked about this in the past and didn't think it would make a difference, we will talk about this again as a board and see what we decide.
- Adjournment
 - Next meeting 2/15/23 at 6:30 PM
 - Working on changing the meeting to later in February, 2023. More information to come.
